Weekly Newsletter

Dear Parents,

This week, we continued with our theme Community Helpers. We focused on the Firefighter. We reinforced the Bus Driver, the Teacher, the Doctor, the Nurse and the Chef.

This week, we reinforced the daily routine of the children throughout the day such as: Snack time, placing belongings in the baskets, tidying up and so on.

This week, the children participated in various activities such as:

- The children made their very own Firefighter; this involved hand painting on a Firefighter cut out with the colour of the Dubai fire fighter's uniform, sponge painting the helmet, the hose and the belt with the colour yellow and pasting of the hose, the helmet, the belt and their own picture. The children also did a role play with the fire fighter craft.
- The children explored with the non-sticky sand dough to enhance their sensory skills.
- We conducted a painting activity where the children explored with hand painting and the colour blue.
- The children pasted different colour cut outs (red, blue, yellow) of the shape (square) on a piece of paper.

On Monday, 26th February, we had our Sports Day. The children participated in the warm up and cool down songs, the circuit and the skill representing our sport, Soccer. The children were thrilled and had a lot of fun. Thank you to all the parents for their support on this day.

Next month theme: On the Move

Gentle Reminders:

- Kindly keep your child's nails short and clean at all times.
- Kindly label all of your child's belongings.
- **Mother's Day** is on Thursday, 8th March 2018. We would love to have a fantastic day with all the Mothers of the Nursery.

Have a nice weekend!

Miss Khushboo
Tiny Tots
