Weekly Newsletter

Dear Parents,

This week we introduced the children to the new theme of the month which is On the Move. Our focus was on Land Transportation and mainly on the Car. Moreover, throughout this month we will be focusing on the colour Yellow and the shape Triangle.

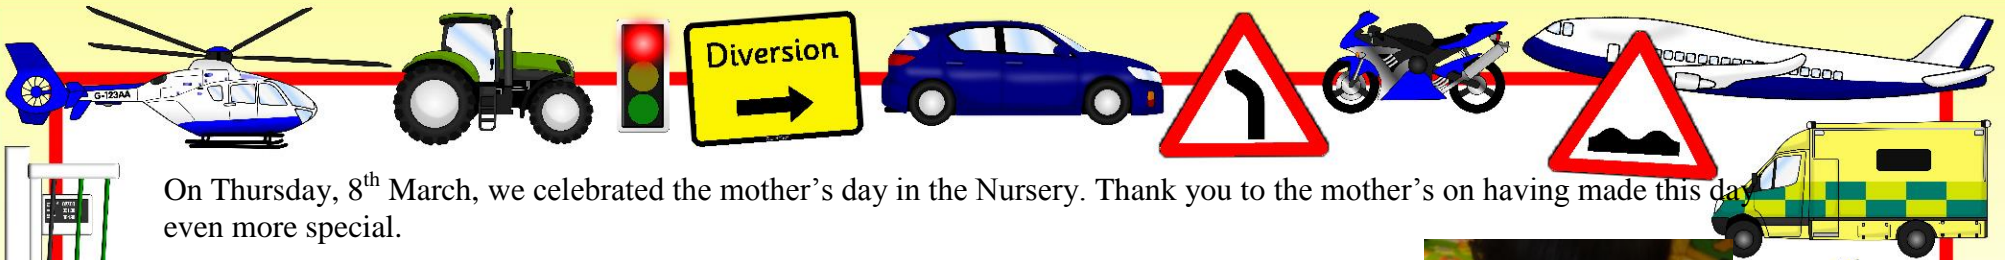

This week we reinforced the daily routine of the children throughout the day such as: Snack time, placing belongings in the baskets, tidying up and so on.

This week the children participated in various activities such as:

- The children made their own car craft; this involved painting on a paper plate cut out using a paintbrush, pasting of the wheels, the windows and the headlight. We reinforced the shapes circle and square through the wheels and windows of the car. We encouraged the children to independently use the glue if he/she was ready to do so in order to focus on physical development. If the child was not ready, he/she was given assistance.
- The children explored with the non-sticky sand dough to enhance their sensory skills.
- The children also explored drawing and colouring with the crayons on a piece of paper.
- The children made a card for the mother with their hand prints and feet prints.

On Monday, 5th March, we had the Ready, Steady, Go coach come to the Nursery. He introduced hockey to the children and they were very excited and happy.

On Thursday, 8th March, we celebrated the mother's day in the Nursery. Thank you to the mother's on having made this day even more special.

Gentle Reminders:

- Kindly keep your child's nails short and clean at all times.
- Kindly label all of your child's belongings.

Have a nice weekend!

Miss Khushboo
Tiny Tots
