Weekly Newsletter

Dear Parents,

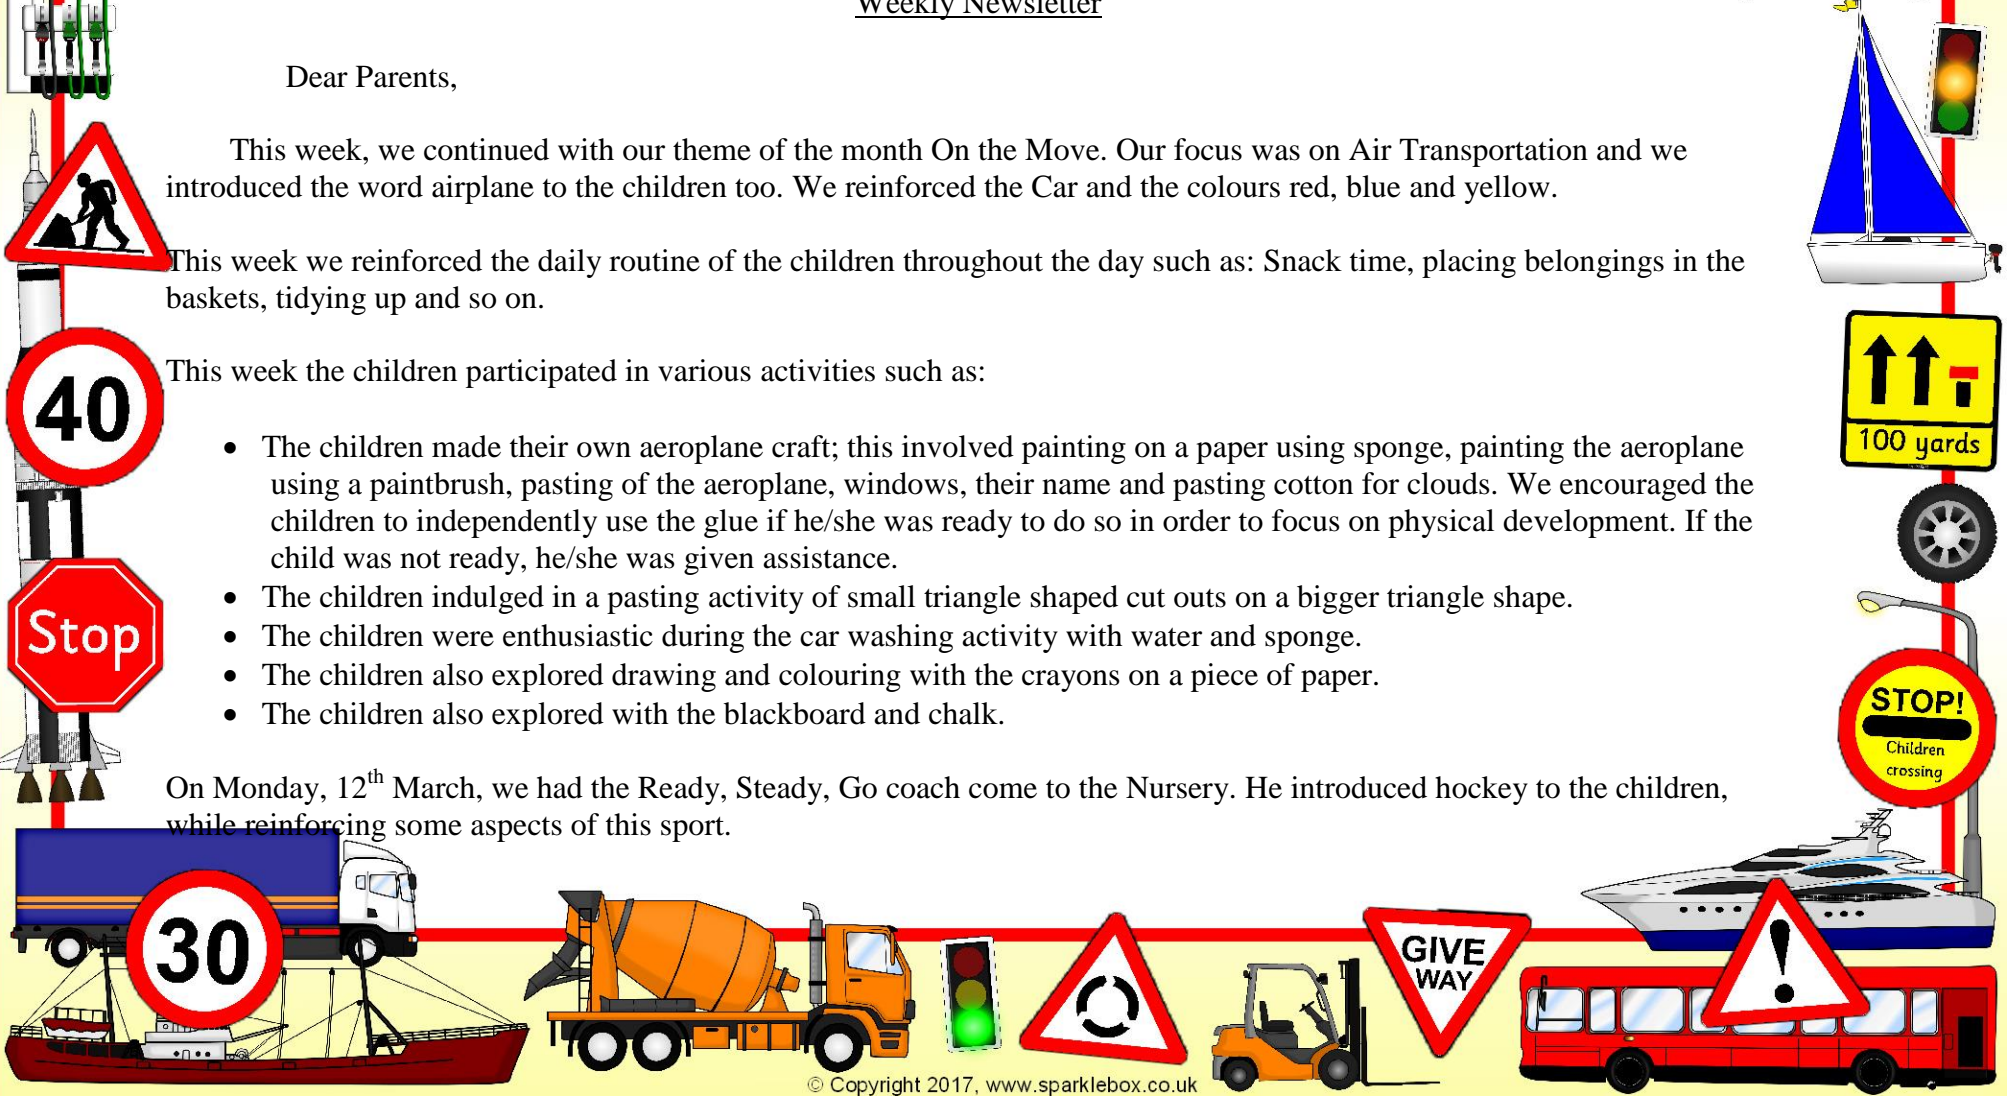

This week, we continued with our theme of the month On the Move. Our focus was on Air Transportation and we introduced the word airplane to the children too. We reinforced the Car and the colours red, blue and yellow.

This week we reinforced the daily routine of the children throughout the day such as: Snack time, placing belongings in the baskets, tidying up and so on.

This week the children participated in various activities such as:

- The children made their own aeroplane craft; this involved painting on a paper using sponge, painting the aeroplane using a paintbrush, pasting of the aeroplane, windows, their name and pasting cotton for clouds. We encouraged the children to independently use the glue if he/she was ready to do so in order to focus on physical development. If the child was not ready, he/she was given assistance.
- The children indulged in a pasting activity of small triangle shaped cut outs on a bigger triangle shape.
- The children were enthusiastic during the car washing activity with water and sponge.
- The children also explored drawing and colouring with the crayons on a piece of paper.
- The children also explored with the blackboard and chalk.

On Monday, 12th March, we had the Ready, Steady, Go coach come to the Nursery. He introduced hockey to the children, while reinforcing some aspects of this sport.
