

February Newsletter

Message from the Principal

February has been fun-filled & fabulous! A **HUGE** thank you to all parents who were able to attend their child's Sport Day event and who have supported us throughout the month during various activities, such as by helping your child make a card for "Valentine's Day", letting your little one take part in our Dubai Drums drumming session and by dressing your child up for "Jungle/Safari Day". The children had a blast during all of our special activities and your support and participation certainly made these events even more special. Thanks again! ☺

A few new friends have also joined us during the month of February. Hence, we would like to extend a **very warm welcome to all of these new children and their families**. We look forward to working very close to you until the end of the Academic in order to best support your child as they learn, grow and develop in the Early Years.

As term 2 is nearly coming to an end, Parent Teacher Interviews will be taking place soon. **DO make time to meet your child's class teacher on Saturday 23rd March**. This meeting will give you a chance to learn more about your child's progress during the term and what you can do to further support him/her before the end of the Academic Year.

March will also be busy, busy, BUSY! Kindly check the calendar on this page for all the most important dates of the month.

Kindest regards,

Carol Oliveira
Principal at TIN DSO

Meals at the Nursery

A good diet is particularly important for young children as it affects their growth & development. At TIN we promote healthy eating so please ensure that you only send nutritious meals to school. Cut-up fresh fruits or vegetables, yoghurt, cheese or a simple sandwich are examples of appropriate healthy snack choices. Carbonated drinks, chocolate & chocolate spread, sweets and crisps should **NOT** be sent to school. Your support is highly appreciated.

Playful Pandas – Nursery Programme

February 2019 – Monthly Newsletter

Dear Parents,

Our Playful Pandas Class had lots of fun this month! Our topic was '**Rumble in the Jungle**' and our little Playful Pandas have enjoyed every bit of this theme. We have learned about different Jungle and Safari animals. The children were very excited to explore our very special jungle/safari themed sensory bins, and they also had great fun giving the toy animals a bath using water and brushes.

This month we have also learned about the different environments where the animals live, and we have done lots of fun crafts and free painting activities. The children loved learning about each animal's size, colour, sound and other characteristics.

Additionally, we were all very proud of our young ones during their performance on Sports Day! Well done, Pandas! 😊. Thank you to all parents who could attend the event.

Looking forward to start a new month with lots of new exciting activities for our Pandas Class. 😊

Best wishes,
Ms. Shahy, Ms. Ailen and Ms. Patricia
(Playful Pandas Team)

Home Connections

We can always support our little one's learning by reading books related to our themes. Jungle/Safari animals are definitely one of their favourite topics and the children also enjoy looking at animal pictures. Additionally, they are very interested in show and tell games which involve talking about different objects/toys. These activities can help enhance your child's language & communication skills, as well as their understanding of the world.

Here are a few photos of what we have been up to this month...
