Message from the Principal

February has been fun-filled & fabulous! A **HUGE** thank you to all parents who were able to attend their child's Sport Day event and who have supported us throughout the month during various activities, such as by helping your child make a card for "Valentine's Day", letting your little one take part in our Dubai Drums drumming session and by dressing your child up for "Jungle/Safari Day". The children had a blast during all of our special activities and your support and participation certainly made these events even more special. Thanks again! ☺

A few new friends have also joined us during the month of February. Hence, we would like to extend a **very warm welcome to all of these new children and their families**. We look forward to working very close to you until the end of the Academic in order to best support your child as they learn, grow and develop in the Early Years.

As term 2 is nearly coming to an end, Parent Teacher Interviews will be taking place soon. **DO make time to meet your child's class teacher on Saturday 23rd March**. This meeting will give you a chance to learn more about your child's progress during the term and what you can do to further support him/her before the end of the Academic Year.

March will also be busy, busy, BUSY! Kindly check the calendar on this page for all the most important dates of the month.

Kindest regards,

Carol Oliveira
Principal at TIN DSO

Meals at the Nursery

A good diet is particularly important for young children as it affects their growth & development. At TIN we promote healthy eating so please ensure that you only send nutritious meals to school. Cut-up fresh fruits or vegetables, yoghurt, cheese or a simple sandwich are examples of appropriate healthy snack choices. Carbonated drinks, chocolate & chocolate spread, sweets and crisps should **NOT** be sent to school. Your support is highly appreciated.

Monthly Newsletter

Brilliant Bears

Dear Parents,

The month of February was full of exciting events and celebrations! The children have been engaged in various fun-filled activities throughout the month such as the drumming session conducted by Dubai Drums, "Valentine's Day" & "Sports Day".

Our annual Sports Day was the highlight of the month! The children were very excited to show their parents all the skills that they have acquired throughout this term. We would like to thank all parents who were able to take time out to come and watch and cheer on our little champs. On a daily basis and during our weekly Kiddie Gym sessions the children have been practicing certain skills that were displayed on Sports Day. Running, jumping using 2 feet, hopping, balancing, swinging, somersaulting, pegging (fine motor skills) and kicking a ball into a target were some of the skills which the children were exposed to and have acquired.

The theme of the month was "**Rumble in the Jungle**" and through various themed-related activities, stories, songs, videos, crafts and small world role play sessions the children were encouraged to develop a better understanding of jungle/safari animals. We learned about the different names of these animals, their physical features, where they live and what they eat. Additionally, the children got a chance to listen to the different jungle and wild animals sounds and were encouraged to guess the respective names and then pick the small world animal from the object box. The children also went on a pretend safari and were asked to imagine what they would see there, what they would need to take and what they would need to wear.

Additionally, our 'Jungle/Safari Dress up Day' added an extra spark to our theme! The children were eager to tell us who they were dressed up as and to show off their costumes to their peers and adults in the classroom. We would like to specially thank all the parents who dressed up their child for this special day.

With regards to the area of literacy, the children have been introduced to the letter sounds and formations "Rr, Mm, Dd." This has been reinforced through the Jolly phonics story, song, action, object box and through activity sheets. Additionally, the children have been practicing the formations on whiteboards, sand trays and with paint. Currently, the children have completed the Jolly Phonics phase 2 letters and they seem to be developing a better understanding of the letter-sounds, the words associated and their formations. Kindly continue to reinforce these concepts through fun ways. **If you wish to have extra practice at home with your child, please use <http://jollylearning.co.uk>. You can also view the Jolly Phonics songs and stories on You Tube.**

I would like to thank all parents for your constant support and cooperation .

Best regards,

Mrs. Vandana
Brilliant Bears Classroom Teacher

Below is a brief outline on how we have worked throughout the month towards developing all areas of learning:

Personal Social and Emotional Development

- ❖ Motivate and encourage children to use Golden words "Please, thank you, excuse me, sorry.
- ❖ Encouraging and reinforcing self awareness and self confidence through different activities like: trying new activities, encouraging children to take on responsibilities like helper of the day, line leader, tidying up and helping around the classroom, helping their friends, standing up during circle time and taking about themselves or singing a song.
- ❖ Reinforcement of the concept making friends, sharing, taking turns, helping our friends and being nice to each other.
- ❖ Gaining awareness of different gross motor skills for our sports day and reinforcement of the importance of exercise and physical activities .

Communication/Language and Literacy

- ❖ Exploring and learning all about Wild/ Safari animals.
- ❖ Introduction of the letters and the sounds : " Rr", 'Mm' 'and 'Dd' through the Jolly phonics stories, songs and actions.
- ❖ Learning the formations of the letters on whiteboard, sand tray and through an activity sheet.
