

OCTOBER MONTHLY NEWSLETTER

Message from the Principal

Dear Parents,

What an eventful month October has been! Now that the children are all more settled and ready to learn, they have started taking part in various new & exciting activities. In addition to having their first 'mini field trip' of the Academic Year to Al Maya Supermarket, they have also been introduced to weekly Kiddie Gym sessions this month. **Kiddie Gym** is a structured multi-sports programme that gives children a chance to further enhance their physical skills through fun & hands on activities. Talking about physical development...as the weather is now getting better, the children have started spending some time outside too. **DO ensure that you send a labelled cap for your child on a daily basis for him/her to wear during outdoor play.**

We ended the month with an exciting **Halloween celebration!** During this event the children had a great time 'trick-or-treating' and taking part in a Halloween Costume Parade. They were also very excited to help me carve real pumpkins, which were then used to decorate the school. A **BIG** thank you to all parents for dressing up your child for Halloween. ☺ The children looked amazing!!!

Looking forward to another fun-filled month ahead!

Arrivals - Reminder

We've noticed that quite a few children have been arriving late and, consequently, are missing out on some important activities that take place in the mornings. To help your child make the most of their nursery experience, please ensure that he/she is here on time on a regular basis. **Our arrivals take place from 8:00 am - 8:30 am.**

Pumpkin Carving Activity

Sick Policy Reminder

As the weather starts to change, many children tend to fall sick in Dubai. To avoid illnesses from spreading, we aim at always maintaining high standards of hygiene and ensuring the proper cleanliness of our environment, toys & materials on a daily basis. However, we cannot prevent illnesses from spreading on our own and would like to request for the support of all parents: **If your child is unwell - with fever, rashes, vomiting, eye discharge or diarrhoea, - please DO NOT send him/her to school. Children should be free of the above mentioned symptoms for 24 hours (without the use of medication) before coming back to the nursery.** We do understand that many of our parents are working and this can be a problem. However, there is no other way of preventing these illnesses from spreading. Your help with this matter is truly appreciated.

Please note that all contagious illnesses should also be reported to the Nursery so that other families may be informed and watch out for any symptoms. The child is welcome back once seen by their paediatrician. **A written note MUST accompany the child upon his/her return to the Nursery.**

Monthly Newsletter

Terrific Tigers

Dear Parents,

October was super busy...With various fun-filled and exciting activities, the month passed by in a flash! I would like to welcome Hamzah Othman, Alanur Ubaydullayeva and Hamza Eid to our Terrific Tigers classroom. Looking forward to seeing our two new friends exploring, enjoying and making lots of new friends in the next upcoming days.

Laura, Adam and Khadicha had their 3rd birthday celebrations in October with their families and friends in the classroom. Thank you to Laura, Khadicha and Adam, and their respective families for celebrating their special day with us.

We have now come to the end of another great topic, "**Fruits, Vegetables and Healthy Eating**". This theme has been designed to help children, starting from an early age, to develop healthy eating habits while also learning more about fruits & vegetables. Therefore, this month the children were given plenty opportunities to gain a better understanding of what fruits & vegetables are and how they grow and where they can be found too.

With the weather getting pleasant, the children have also starting exploring the outdoor area and engaging in various fun physical activities outside. Therefore, please send a cap for your child to wear whenever we go out.

Throughout our day, we continue to practice rhyming, sorting, counting and one-to-one correspondence, positional concepts, and various bingo games during circle and learning center time activities. In Phonics, we've learned the sounds and songs for s/a/t/i/p. **If you wish to have extra practice at home with your child, please use <http://jollylearning.co.uk>.**

The Halloween party was a big hit! We played lots of games, including pass the parcel, musical statues and musical bumps. Then we also made some healthy Halloween treats. We all had a fabulous time!!!

Additionally, throughout the month, the children have engaged in various activities such as colouring, painting, free play, dance and movement, games, as well as arts and craft activities related to the theme of the month. They have learned a lot and had lots of fun too!

I would like to thank all parents for your constant support with our activities throughout the month.

Best regards,

Mrs. Natalie
Terrific Tiger Classroom Teacher

Below is a brief outline on how we have worked throughout the month towards developing all areas of learning:

Personal Social and Emotional Development

- ❖ Encouraging children to be aware of their personal hygiene (Cover your mouth with your hands or elbows when you sneeze, using a tissue to wipe our nose, mouth, face)
- ❖ Encouraging children to use their magic words: "Please", "Sorry", "Thank you".
- ❖ Importance of eating fruits and vegetables on a daily basis to be healthy and strong.
- ❖ Supermarket visit: Waiting to take turns paying the money at the cash counter .

Physical Development

- ❖ **Gross:** Stretching, moving in different ways: walking backwards and forwards, fast and slow, etc. Bowling game, jumping, obstacles track. Dance sessions.
- ❖ Kidde Gym session on Sundays. Daily stretching, breathing and crossing the middle line movement exercises.
- ❖ **Fine:** Play dough, cutting activities. 'straws and hair clips' activity, making paper crumbs. Mark making using whiteboard markers.
- ❖ Putting rubber bands around a cup using thumb and index fingers, newspaper tearing; for those who are ready, introduce scissor cutting skills (making snip on newspaper).

Communication/Language and Literacy

- ❖ Exploring and learning all about fruits and vegetables.
- ❖ Introduction of the letters and the sounds : "S s", "A a", "Tt", "I i" and "Pp" through the Jolly phonics story, song and action.
- ❖ Learning new vocabulary words related to the theme. Identifying the fruits and vegetables flashcards.
- ❖ Listening to different sounds and trying to guess what they are (a telephone ringing, a lion roaring, a dog barking, musical instrument, horn, etc.).
- ❖ Seasons introduction. Talking about different colors of trees and how trees change leaves during different seasons.

Understanding of the World

- ❖ "Watermelon Day". Watermelon tasting activity.
- ❖ Fruit Show & Tell Day .
- ❖ Banana peeling activity. Yellow Day.
- ❖ Introduction to the concept of 'Fruit': What is a fruit? Some fruits grow on trees and others on the ground: vines.
- ❖ Introduction to what vegetables are. Explore certain vegetables.
- ❖ Halloween Costumes' Parade. Celebration of Halloween with harvest concept .

Expressive Art and Design

- ❖ The letter and the sound "a", "s", "t", "i" and "p" 'crafts. "Watermelon" 'and "Fruit Basket" crafts. "Halloween" craft.
- ❖ Vegetable printing.
- ❖ Dance and movement.
- ❖ "Five Little Pumpkins" role play/ making a "pumpkin" mask. Mixing colors. If we mix red & yellow, which color will we get?
- ❖ Stories & Role Play: "Handa's Surprise", "The Very Hungry Caterpillar", "The Enormous Turnip" , "Oliver's Fruit Salad".

Mathematics

- ❖ Introduction of the numbers 1 to 5 along with identification and counting.
- ❖ "Dice game": placing numbers of seeds on "watermelon" using dice. Rote counting 1-20. Counting how many girls and boys are in the classroom.
- ❖ Introduction of the shape: square, circle, triangle, rectangle and diamond.
- ❖ Matching the shapes with the numbers game.
- ❖ Number movement activity: look at the card and follow the actions clap 1 time, pat your head 2 times, jump 3 times... until number 5.
