Message from Principal

One more term is coming to an end. Can you believe how fast time has gone by?!.... **The children really seemed to have blossomed!** Each and everyone of them, in their own unique way, has achieved a lot since the beginning of the Academic Year. **Parents, you should be proud!** ☺

Talking about children's growth & development, I would like to thank all of those parents who were able to attend our Parent Teacher meetings in order to hear more about how your child is progressing. Working in partnership with you is one of the things we value the most as a nursery. Hence, we truly appreciate your involvement.

March was packed with activities & events too: Mother's Day, Field Trip, Doctor's Visit, Fire Drill, tons of birthday celebrations, Road Safety Day to name a few.... DO have a look at the lovely photos from all of these events which the teachers have added below. We ended the month by saying goodbye to a few children who will be going to the Indian curriculum. We wish all of these children the best of luck in their new school. You will be missed!!

Happy Spring break to all!

Kindest regards,
Ms. Carol - Principal at TIN DSO

Spring Camp

2019

Week 1 (31/03 - 04/04)

Space Explorers

Calling all space explorers to board our rocket ship... It's time to blast off and learn about outer space!

Our first week of Spring Camp will be all about planets, astronauts, the moon, stars and sun. The children will even create their own pretend rocket out of fruits and have loads of fun!

There will also be tons of theme-related sensorial activities and messy play. Then we will end the week in a very special way as we will have an '**Outer Space Day!**' Feel free to come dressed as an astronaut, planet, star or sun. Our Thursday party will be from out of this world! ☺

Week 2 (07/04 - 11/04)

Dinosaurs

Dinosaur lovers will be roaring with excitement... This week the children will be encouraged to take part in many fun craft activities & games related to dinosaurs and their habitat.

We will go on a fun dinosaur egg hunt and work as a group to make an erupting volcano. The children will have a chance to pretend to be archaeologists who dig for fossils too, and then make their own dino masks which they will take home to share with you.

On Thursday we will have an awesome "**Dinosaur/Green Day**", so join us & come to Nursery to play!

March 2019

Dear Parents,

We have had another fun-filled month! The children have been busy exploring our theme “**Air, Land and Water Transportation**”. They were all very excited and curious to learn more about all different types of transportation such as: bus, train, airplane and boats. The children really enjoyed creating these means of transport on their own way too. 😊

Moreover, we had a few special events this month, such as: our field trip to Mattel Play town which the children enjoyed very much; the doctor’s visit and our amazing Mother’s Day celebration. I would like to extend a big thank you to all the mums who managed to join us!

Additionally, we have also celebrated **Ram’s , Liliana’s, Aahan’s and Yanvi’s** birthdays during the month of March. The children had a lot of fun during these celebrations too. As always, I can’t thank you enough for your constant help and support.

Lastly, I would like to wish all the best to the children who are moving up to Nursery Programme. It has been an enormous pleasure been their teacher and am very proud of them! am going to miss them all a lot. Thank you, parents, for your partnership work and your support as usual.

I look forward to another wonderful term ahead! Wishing you all a fantastic spring break!! I will see you after the holidays.

Sincerely,

Ms Joudia, Ms Roxane, Ms Adi & Ms Cita
