

March Newsletter

2019

Message from Principal

One more term is coming to an end. Can you believe how fast time has gone by?!.... **The children really seemed to have blossomed!** Each and everyone of them, in their own unique way, has achieved a lot since the beginning of the Academic Year. **Parents, you should be proud!** 😊

Talking about children's growth & development, I would like to thank all of those parents who were able to attend our Parent Teacher meetings in order to hear more about how your child is progressing. Working in partnership with you is one of the things we value the most as a nursery. Hence, we truly appreciate your involvement.

March was packed with activities & events too: Mother's Day, Field Trip, Doctor's Visit, Fire Drill, tons of birthday celebrations, Road Safety Day to name a few.... DO have a look at the lovely photos from all of these events which the teachers have added below. We ended the month by saying goodbye to a few children who will be going to the Indian curriculum. We wish all of these children the best of luck in their new school. You will be missed!!

Happy Spring break to all!

Kindest regards,
Ms. Carol - Principal at TIN DSO

**We would love to hear
what you have to say!** 😊

Important Dates

- ❖ 28/03 : Last Day of Term 2
- ❖ 31/03 - 11/04: Spring Camp
- ❖ 03/04 : Al Isra' a Wal Mi'raj Ascension Day (Public Holiday)

Please Note: TIN will remain closed on the 03/04 as it's a Public Holiday.

- ❖ 13/04: Parent Orientation
(This event is for all new families & those moving from Tiny Tots to Nursery or Nursery to Foundation.)
- ❖ 14/04: First Day of Term 3!

HAPPY
Mother's Day

March was certainly a very special month! After all, we got to host a wonderful event for all our fabulous TIN mums.

A HUGE thank you to all of you who were able to attend.

I hope you all enjoyed the party & had a great Mother's Day! 😊

Have a look at all the fun and exciting activities which we will be introducing to the children during Spring Camp. For more information, please contact our Admin Dept.
Thank you! ☺

Spring Camp 2019

Week 1 (31/03 - 04/04)

Space Explorers

Calling all space explorers to board our rocket ship... It's time to blast off and learn about outer space!

Our first week of Spring Camp will be all about planets, astronauts, the moon, stars and sun. The children will even create their own pretend rocket out of fruits and have loads of fun!

There will also be tons of theme-related sensorial activities and messy play. Then we will end the week in a very special way as we will have an **'Outer Space Day!'** Feel free to come dressed as an astronaut, planet, star or sun. Our Thursday party will be from out of this world! ☺

Week 2 (07/04 - 11/04)

Dinosaurs

Dinosaur lovers will be roaring with excitement... This week the children will be encouraged to take part in many fun craft activities & games related to dinosaurs and their habitat.

We will go on a fun dinosaur egg hunt and work as a group to make an erupting volcano. The children will have a chance to pretend to be archaeologists who dig for fossils too, and then make their own dino masks which they will take home to share with you.

On Thursday we will have an awesome **"Dinosaur/Green Day"**, so join us & come to Nursery to play!

PLEASE NOTE: We have a Facebook Closed Group accessible to DSO families only. If you still have any queries regarding how to join the group, please contact our Admin office.

Delightful Dolphins

Nursery Programme

March 2019

Dear Parents,

As I write the last newsletter for this term, I think about all the excitement and all the fun we had. It was a jam packed term and a very busy March. It was a bitter sweet end of term for us, however, as we said goodbye to some of our friends who are going to "big school". We will miss every single one of them, but we wish them all the best and look forward to meeting some new friends next term.

During March we learnt all about **Transportation: Land, Sea & Air**. It's been one of our children's favourite topics to date and they thoroughly enjoyed it.

We started the month off by learning about all the modes of transportation on **land**. We focused on **cars, trucks, trains, bikes** and **buses**. Our children really enjoyed learning about all the different types and colours of each one and loved looking out our big window and calling out the names of each vehicle. We took this opportunity to take our school bus on our **AMAZING** field trip to "**Mattel Play Town**" in City Walk. Our children loved the bus ride and singing "**Wheels On The Bus**" as we drove along, but they enjoyed the fun, educational trip even more!

Next, we learnt all about the modes of transportation in the water, from tiny **row boats**, to big **ships** and **submarines**. We pretended to row our boats around the classroom and dive deep into the ocean in our submarines. Luckily for us, no one got wet!

Finally, we learnt about **air** transportation. **Airplanes, helicopters, rockets** and **hot air balloons** were on the map for us this week and it was really exciting to zoom around the classroom as we prepared for landing. We had a bit of turbulence along the way, but we landed safely.

As we learnt all about the different modes of transportation, we took the opportunity to teach our children about **ROAD SAFETY! Wearing helmets** while riding a bike, **wearing a seat belt** in the car, **holding an adults hand** while crossing the road and **looking both ways** before crossing are **VERY** important safety measures that we all need to take to keep our children safe.

This month we also celebrated **Mother's Day!** It was a fantastic day and a great turn out! Thank you to all the mummies, daddies and grandmothers that came to this special event! **We love you!**

We finished off this crazy term with a wonderful "**End of Term Party**". Thank you to all our wonderful parents who sent in our yummy treats and thank you for all the support during the term!

Ms Taryn

Here are some pictures of our fun this month...
