2019

Message from Principal

One more term is coming to an end. Can you believe how fast time has gone by?!.... **The children really seemed to have blossomed!** Each and everyone of them, in their own unique way, has achieved a lot since the beginning of the Academic Year. **Parents, you should be proud!** 😊

Talking about children's growth & development, I would like to thank all of those parents who were able to attend our Parent Teacher meetings in order to hear more about how your child is progressing. Working in partnership with you is one of the things we value the most as a nursery. Hence, we truly appreciate your involvement.

March was packed with activities & events too: Mother's Day, Field Trip, Doctor's Visit, Fire Drill, tons of birthday celebrations, Road Safety Day to name a few.... DO have a look at the lovely photos from all of these events which the teachers have added below. We ended the month by saying goodbye to a few children who will be going to the Indian curriculum. We wish all of these children the best of luck in their new school. You will be missed!!

Happy Spring break to all!

Kindest regards,
Ms. Carol - Principal at TIN DSO

**We would love to hear
what you have to say!** 😊

Important Dates

- ❖ 28/03 : Last Day of Term 2
- ❖ 31/03 - 11/04: Spring Camp
- ❖ 03/04 : Al Isra' a Wal Mi'raj Ascension Day (Public Holiday)

Please Note: TIN will remain closed on the 03/04 as it's a Public Holiday.

- ❖ 13/04: Parent Orientation
(This event is for all new families & those moving from Tiny Tots to Nursery or Nursery to Foundation.)
- ❖ 14/04: First Day of Term 3!

HAPPY
Mother's Day

March was certainly a very special month! After all, we got to host a wonderful event for all our fabulous TIN mums.

A HUGE thank you to all of you who were able to attend.

I hope you all enjoyed the party & had a great Mother's Day! 😊

Have a look at all the fun and exciting activities which we will be introducing to the children during Spring Camp. For more information, please contact our Admin Dept.
Thank you! ☺

Spring Camp 2019

Week 1 (31/03 - 04/04)

Space Explorers

Calling all space explorers to board our rocket ship... It's time to blast off and learn about outer space!

Our first week of Spring Camp will be all about planets, astronauts, the moon, stars and sun. The children will even create their own pretend rocket out of fruits and have loads of fun!

There will also be tons of theme-related sensorial activities and messy play. Then we will end the week in a very special way as we will have an **'Outer Space Day!'** Feel free to come dressed as an astronaut, planet, star or sun. Our Thursday party will be from out of this world! ☺

Week 2 (07/04 - 11/04)

Dinosaurs

Dinosaur lovers will be roaring with excitement... This week the children will be encouraged to take part in many fun craft activities & games related to dinosaurs and their habitat.

We will go on a fun dinosaur egg hunt and work as a group to make an erupting volcano. The children will have a chance to pretend to be archaeologists who dig for fossils too, and then make their own dino masks which they will take home to share with you.

On Thursday we will have an awesome **"Dinosaur/Green Day"**, so join us & come to Nursery to play!

Facebook

PLEASE NOTE: We have a Facebook Closed Group accessible to DSO families only. If you still have any queries regarding how to join the group, please contact our Admin office.

Happy Hippos – Nursery Programme

March 2019 – Monthly Newsletter

Dear Parents,

February was a fantastic month, with various fun-filled and exciting activities! This month we celebrated Yahya's ,Trisha's ,Emma's and Ibrahim's birthdays. I would like to thank the families for their support and for letting us share your child's special day with you!

We have now come to the end of another great topic: '**Land, Air & Water: Transportation**' and to the end of a wonderful '**Term 2**'. The children had fun learning about land, air and sea transportation. According to the theme, our young learners explored many different types of transportation this month and were able to categorise, distinguish and recognise all forms of transport. We also helped the children learn about different types of jobs related to transportation, such as: bus drivers, pilots, taxi drivers, mechanics, etc. As this is a topic that the children enjoy a lot, they also had a chance to further exercise their language and communication skills by sharing their own experiences. Additionally, we have been playing games, reading books and singing songs about transportation. For example: "Traffic Lights, What Do you Say?" and "The Wheels on the Bus". This encouraged some lovely language and conversation too. ☺

Moreover, our Happy Hippos had loads of fun learning and exploring lots of different sensory activities & materials. We have used various cars, trucks in messy play activities as well, with materials like sand and shaving foam. We have also read exciting stories related to this topic. Moreover, we had an exciting "**Road Safety Day**": The children learned about traffic lights, pedestrian crossings and many different road signs that we see on a daily basis as we walk or drive to school. Our children are VERY important to us, so we also spoke to them about why it's important to wear helmets while riding a bike, as well as to buckle your seatbelts when you're in a car and why we have to hold an adult's hand when crossing the road, making sure we look left and right ☺.

Mother's Day was a lovely day for all of us too. We prepared something special and unique to bring a smile to all our wonderful TIN mums' faces. On the 20th of March a special activity was organized for the mothers of Happy Hippos. The mums, as well as the children, had a splendid time decorating cupcakes together and working on a craft activity. It was a pleasure watching the super excited mums with their energetic children preparing something unique and special. Our **Field Trip to Mattel Play Town** was also a marvelous experience for the children. A big thank you to all parents for your constant support with these special events & activities.

Our '**Parent Teacher Meetings**', which took place at the end of March, was a wonderful opportunity for parents to learn more about their child's progress during our second term. It also gave us a chance to share great ideas for the upcoming term. Thank you parents for showing up and sharing more about your child.

The **End of Term Party** was a big hit! Everyone got dressed up in their party costumes. We played lots of games, including pass the parcel, musical statues and musical bumps. It was great fun! Then we shared yummy party snacks. We all had a fabulous time!!! Once again, thanks to all parents for sending in all the delicious food.

Happy Holidays! ☺

Regards,

Ms. Ayesha

Home Connections

To help our child develop a better understanding of means of transportation, you can ride Dubai Taxi, Dubai Metro, Dubai Tram, etc with your little one! You can also read exciting bedtime stories to them about transportation, which will further enhance their vocabulary and they will love it! Please feel free to ask for more ideas if needed. ☺

Here are a few photos of what we have been up to this month...
