2019

## Message from Principal

One more term is coming to an end. Can you believe how fast time has gone by?!.... **The children really seemed to have blossomed!** Each and everyone of them, in their own unique way, has achieved a lot since the beginning of the Academic Year. **Parents, you should be proud!** 😊

Talking about children's growth & development, I would like to thank all of those parents who were able to attend our Parent Teacher meetings in order to hear more about how your child is progressing. Working in partnership with you is one of the things we value the most as a nursery. Hence, we truly appreciate your involvement.

March was packed with activities & events too: Mother's Day, Field Trip, Doctor's Visit, Fire Drill, tons of birthday celebrations, Road Safety Day to name a few.... DO have a look at the lovely photos from all of these events which the teachers have added below. We ended the month by saying goodbye to a few children who will be going to the Indian curriculum. We wish all of these children the best of luck in their new school. You will be missed!!

**Happy Spring break to all!**

Kindest regards,  
Ms. Carol - Principal at TIN DSO

HAPPY  
*Mother's Day*

March was certainly a very special month! After all, we got to host a wonderful event for all our fabulous TIN mums.

A HUGE thank you to all of you who were able to attend.

**I hope you all enjoyed the party & had a great Mother's Day!** 😊

Have a look at all the fun and exciting activities which we will be introducing to the children during Spring Camp. For more information, please contact our Admin Dept.  
Thank you! ☺

# Spring Camp 2019

Week 1 (31/03 - 04/04)

## Space Explorers

**Calling all space explorers to board our rocket ship... It's time to blast off and learn about outer space!**

Our first week of Spring Camp will be all about planets, astronauts, the moon, stars and sun. The children will even create their own pretend rocket out of fruits and have loads of fun!

There will also be tons of theme-related sensorial activities and messy play. Then we will end the week in a very special way as we will have an **'Outer Space Day!'** Feel free to come dressed as an astronaut, planet, star or sun. Our Thursday party will be from out of this world! ☺

Week 2 (07/04 - 11/04)

## Dinosaurs

**Dinosaur lovers will be roaring with excitement...** This week the children will be encouraged to take part in many fun craft activities & games related to dinosaurs and their habitat.

We will go on a fun dinosaur egg hunt and work as a group to make an erupting volcano. The children will have a chance to pretend to be archaeologists who dig for fossils too, and then make their own dino masks which they will take home to share with you.

On Thursday we will have an awesome **"Dinosaur/Green Day"**, so join us & come to Nursery to play!

**PLEASE NOTE:** We have a Facebook Closed Group accessible to DSO families only. If you still have any queries regarding how to join the group, please contact our Admin office.

# Playful Pandas – Nursery Programme

March 2019 – Monthly Newsletter

Dear Parents,

The Playful Pandas Class had lots of fun this month. Our topic was all about 'Transportation' and our little playful Pandas have loved learning about the different types of transportation. During the first week of the month, we explored land transports, such as: cars, buses, trains and trucks. During the second week we focused on water transports, such as: ships, boats and submarines and the third week we learnt more about air transports, such as: helicopter and planes. Our Playful Pandas have enjoyed matching games related to our theme and they loved the different role-play & small world play activities we had this month, such as washing the dirty cars. Additionally, they had great fun working on different craft activities wherein we focused on using shapes to create different types of transports.

Looking forward to starting a new term with lots of new exciting activities for our Panda Class. ☺

Best wishes,  
Ms. Shahy, Ms. Ailen and Ms. Patricia (Playful Pandas Team)

## Home Connections

You can also further support your little ones at home by preparing 'small world' set ups and sensory bins related to our theme for them to explore. You can simply prepare a tray or container, put some sand inside it along with some cars, trucks and taxis and hide these toys inside the sand. Encourage your child to dig for them and ask them to name the means of transport which they find, and where can they see them (air, land or water).

The best way to learn anything is through PLAY!

Here are a few photos of what  
we have been up to this month...
