

# April Monthly Newsletter

2019

## Message from the Principal

Dear Parents,

The third and last term of the Academic Year is now upon us. How fast time has gone by! On behalf of the staff team, I would like to extend a warm welcome to all our families as we start this new term. Please feel free to come and see me whenever you feel the need to do so. At TIN we have an 'Open Door Policy' and I am always truly glad to get your feedback and hear your comments.

April was already a busy month, full of hands-on activities and celebrations: The children had a chance to take part in a planting activity during 'Earth Day' and explore different sensory bins and fun games when briefly introduced to **Easter**. Have a look at the lovely photos of all of these activities and many more which your child's class teacher has added to this newsletter. ☺

Most of our new children have now settled in beautifully and are starting to make new friends. Others are still getting used to the new routines. If that is your child case, don't worry & be patient! To better support your little one, please DO ensure, however, that you establish an **early bedtime routine** for him/her at home. Children who had a good night sleep tend to settle much faster than those who have not. If you have any questions with regards to this, please do not hesitate to contact me or your child's class teacher.

Looking forward to a wonderful month ahead in which we will introduce Ramadan to our children!

Best regards,  
Carol Oliveira  
Principal at TIN DSO

## Ramadan Timings

As I am sure you are aware, the Holy month of Ramadan will start at the beginning of May. As a result, there will be some alterations to our nursery timings.

### The timings for the Holy month of Ramadan will be as follows:

- Arrivals for Breakfast Club children will be at 8am.
- Arrivals for all remaining children will be between 8.30am - 9.00am.
- Our bus children will be leaving the nursery at their normal time.
- Our noon dismissal will remain the same (12.10pm - 12:30pm).
- Our 2pm dismissal will remain the same.
- All remaining children will need to be collected by 4pm latest.

We thank you in advance for your support in this matter.

Ramadan Kareem to all  
of our families!

## Important Dates - May

- ❖ 02/05: World Book Day Celebration - Book Character Dress up Day
- ❖ 06/05: Ramadan Begins (\*\*Date may be subject to change).
- ❖ 08/05 & 09/05: Splash Day!
- ❖ 30/05: Farm Animals & Pets Dress up Day

## Ramadan Activities that Parents can do with their Children...

**Decorate your home together:** Encourage your little one to help you make your home look even prettier for the Holy month of Ramadan. They can make their own crafts to use for decoration too.

**Make Paper Lanterns:** Work together on this craft project by providing different materials for your child to use & explore while making his/her own paper lanterns. Lots of samples & ideas can be found on the internet.

**Promote Little Acts of Kindness:**

We should always be kind to others, but let this be a month in which we truly promote this concept to our children: Encourage them to be kind to their friends, siblings and relatives through some small acts of kindness. Give them ideas on how to do it and role model it too!

**Learn more about the Moon:** As the moon plays an important role during Ramadan, take this opportunity to teach your child a bit more about it. Do some research on the phases of the moon and what they symbolize during Ramadan and take time to find the moon & observe the sky together.

**Read Ramadan Children's Books:** There are lots of books for children that can teach them about Ramadan and/or the importance of kindness and charity. Read to your child before bedtime.

## Important Reminders

- **Food:** A good diet is particularly important for young children as it affects their growth & development. At TIN we promote healthy eating so please ensure that you only send nutritious meals to school. Cut-up fresh fruits or vegetables, yoghurt, cheese or a simple sandwich are examples of appropriate healthy snack choices. Carbonated drinks, chocolate & chocolate spread, sweets and crisps should NOT be sent to school.
- **Uniform:** If you haven't bought your child's uniform yet, please remember to do so. All sizes are now available at our Admin Office. The school uniform must be worn from Sunday to Wednesday. Thursday is a casual day.
- **Backpacks:** Please do not send oversized bags to the Nursery. We are encouraging children to become more independent. Therefore, each child will be encouraged to manage their own belongings.

Find us on  
**Facebook**

**Toddlers International Nursery  
Dubai Silicon Oasis**

**PLEASE NOTE:** We also have a Facebook Closed Group accessible to DSO families only.

If you have any queries regarding how to join the group, please contact our Admin office.

What will we learn  
about in May?

**Farm Animals & Pets**

# How to make a Ramadan Paper Lantern

Would you like to make a Ramadan paper lantern with your child?  
Simply follow the instructions below!

This activity will help your little one exercise his/her fine motor skills while folding and cutting the paper and if using sequins & other small materials to decorate the lantern. It will also help them enhance their hand-eye coordination. Most importantly, it will further boost their personal and emotional development if they have a chance to work on it together with mum & dad. 😊

# Monthly Newsletter

## Terrific Tigers

Dear Parents

Welcome back! I hope you had a relaxing and fun Spring Break with your families. Our returning children looked well-rested and were very excited to be back at the nursery and see their friends again. We also have a few new friends who have joined our classroom this term. Therefore, I would like to welcome all of these new children and their families to the Terrific Tigers class. We are very happy to have you with us and we look forward to many memorable and fun months ahead. I am also pleased to report that our new children have started settling in well into their new environment and are now enjoying their time at the nursery a lot too.

Moreover, this month we also got to celebrate Liamar's birthday. We would like to thank Liamar and her family for letting us share this special day with them!

As you are aware, the theme for this month was "Spring and Insects". The children were introduced to the changes that you see in the Spring season, namely, flowers, insects and occasional April showers (Rain). They enjoyed talking about the flowers that are blossoming, singing songs about the weather and learning about all the different insects and baby animals that come about in spring. Some of the books that enhanced our learning about this theme included: 'Guess How Much I love You in Spring', 'The Very Lazy Ladybird' and 'The Very Hungry Caterpillar'.

Additionally, to further enhance the children's fine motor skills and help them develop their creativity, we had fun with art projects featuring beautiful spring flowers, baby birds, caterpillar craft, using playdough with flowers and seeds, etc. On a daily basis the children were also exposed to many opportunities to count from 0-20 and to recognize these numbers, as well as various shapes, such as: circles, triangles, squares, stars, and hexagon.

We also celebrated Earth Day this month and spoke to the children about keeping our Earth green and clean. On this special day they all wore blue and green to mark the occasion. Moreover, we had an amazing World Book Day celebration: various characters stepped out of the pages of the children's favourite storybooks and began new adventures within the classroom environment - we met Little Red Riding Hood, Snow White, the Gingerbread man and many more fantastic characters too!

With regards to the area of literacy, the children have been introduced to the letter sounds and formations "Ll and Ff". This has been reinforced through the Jolly phonics story, song, action, object box and through activity sheets. Additionally, the children have been practicing the formations on whiteboards, sand trays and with paint. Currently, the children have completed the Jolly Phonics phase 2 letters and they seem to have been gaining a better understanding of the letter-sounds, the words associated and their formations. Kindly continue to reinforce these concepts through fun ways at home too. **If you wish to have extra practice with your child, please use <http://jollylearning.co.uk>. You can also view the Jolly Phonics songs and stories on You Tube.**

I would like to thank all parents for your constant support and cooperation.

Best regards,

Mrs. Natalie  
Terrific Tigers Classroom Teacher

Below is a brief outline on how we have worked throughout the month towards developing all areas of learning:

## Personal Social and Emotional Development

- ❖ Exploring small world area insects using textured sand, coloured rice, coloured diaper gel, leaves, ice, etc.
- ❖ Group activities to reinforce sharing and taking turns e.g. flower prints, playdough cutters, parachute play, etc.
- ❖ Circle time: encouraging the children to say their name & surname using a sentence ( My name is ..... ) and also asking their friends ( What is your name ? ).

## Communication/Language and Literacy

- ❖ Circle time discussions included weather songs, talking about spring months, rainbow colours.
- ❖ Guessing game using Magic bag with items related to spring to teach vocabulary and words related to the theme.
- ❖ Parachute games for following instructions like go under, held it high, make waves, etc. to enhance language and vocabulary skills.
- ❖ Reading books and stories to foster and strengthen listening as well as language skills.

## Physical Development

- ❖ **Gross motor:**
- ❖ Kidde Gym session on Sundays. Daily breathing and crossing the middle line movement exercises; Yoga sessions.
- ❖ Music and movement activities which involved moving and coordinating using pompoms.
- ❖ Exploring different ways of moving as represented by different spring events, activities and objects e.g. jumping like a bunny, growing tall like a flower, splashing in puddles etc.
- ❖ **Fine motor:** pouring, transferring, threading, manipulating play dough, cutting activities. 'straws and hair clips' activity, Mark making using whiteboard markers. Using markers and writing tools to practice pre-writing skills.

## Understanding of the World

- ❖ Introduce the concept of the bee making honey (collecting nectar and depositing it in the beehive to make honey).
- ❖ Experiencing real plants or flowers for the children to look, touch and smell.
- ❖ Encourage children to use magnifying glasses to look carefully at different plants and flowers growing around the outside area.
- ❖ Mini beast hunt with the shaving foam; the children talked about the insect they found.
- ❖ Introduction to the life cycle of a butterfly from the egg, to a caterpillar, to a cocoon and then to a beautiful butterfly. Reinforcement of the concept through a video and craft.

## Mathematics

- ❖ Number recognition 1-10 on whiteboard via number matching game.
- ❖ Rote counting 1-20. Counting how many girls and boys are in the classroom.
- ❖ Mathematical concepts on a daily basis: there are 7 days in a week, we get two days holiday, 12 months in a year & number rhymes, play dough sheets with numbers.
- ❖ Introduction and revision of number 1 & 2, formation and quantity associated.

## Expressive Art and Design

- ❖ Different crafts related to the theme, as well as to 'Earth Day' & 'Easter'.
- ❖ Insect playdough mats for the children to manipulate the dough to make different insects.
- ❖ Playing with small world mini beasts and flowers.
- ❖ The letter and the sound "Ll" and "Ff" crafts.
- ❖ Dance and movement.
- ❖ Free drawing/ painting.
- ❖ Kiddie Gym sessions/ Yoga sessions.

Here are a few photos of what  
we have been up to this month...
